PRODUCTION T.E.A.M.

An AUDIO / VIDEO student pathway at Pilgrim High School
featuring classes in Technology Education, English, and Music

STUDIO 107 1st LEVEL CLASSES

During grades 9 and 10, you will take:

DIGITAL & VIDEO COMMUNICATIONS I (TE137)

Digital & Video Communications I fulfills your Technology credit

and

MUSIC THEORY (MU58)

Music Theory fulfills your Fine Arts credit

(in any order)

10-12 GRADE COURSEWORK MAY INCLUDE

- Music Technology and Sound Engineering
- Digital & Video Communications 2
- Film and Literature
- Cultural Literacy (Through the Looking Glass)
- Mass Media
- Theater Workshop
- Production English 3 (and 3 Honors)
- Production English 4 (and 4 Honors)
- Production T.E.A.M. Audio
- Production T.E.A.M. Video

If you would like to be part of the Audio Video Pathway or CTE program, all students must begin with Video 1 and Music Theory.

In your 9th grade year, you will be advised and guided by the Studio 107 teachers how to proceed with your coursework.

Take a course and try it out!!
